S: STATISTICS AUSTRIA, Vital statistics. Compiled on 17 September 2019. - From 1984 to 2009 data are based on the first given names of newborn babies with Austrian citizenship. From 2010 onwards, all first given names of newborns, independent of citizenship, are included. The list of most popular first names displays first given names in the original spelling without special characters and does not group names etymologically.
